Aspire: 100 Days UPSC Prelims Program

Program Overview:

The **Aspire: 100 Days UPSC Prelims Program** is a comprehensive, high-intensity initiative designed to prepare aspirants for the UPSC Prelims exam in just 100 days. This program includes **daily 4-hour live classes** that cover the full **General Studies syllabus** as well as **2 years of current affairs, daily tests, daily discussions**, and a well-structured test series comprising **48 General Studies tests** and **12 CSAT tests**.

This program is ideal for candidates who are looking for a structured, guided approach to Prelims preparation, ensuring full syllabus coverage with regular practice and mentoring.

Key Features:

1. 100 Days Structured Schedule with 4-Hour Daily Classes

- a. **Daily Classes:** Each day includes **4 hours of live interactive classes**, covering a mix of General Studies topics and current affairs.
- b. **Comprehensive Syllabus Coverage:** Classes are designed to cover all aspects of the Prelims syllabus including History, Geography, Polity, Economy, Environment, Science & Technology, and Current Affairs.
- c. **Conceptual Learning & Application:** Every session focuses on understanding the key concepts, supplemented by test-based practice and regular discussions to strengthen knowledge retention.

2. Complete General Studies Coverage

The program covers the entire **UPSC Prelims General Studies syllabus (GS Paper 1)**, including:

- a. **History** (Ancient, Medieval, Modern India, and Post-Independence)
- b. **Geography** (Indian and World Geography, Physical and Human Geography)
- c. **Polity** (Indian Constitution, Political System, Panchayati Raj, Public Policy)
- d. **Economy** (Indian Economy, Economic Development, Government Schemes)
- e. **Environment** (Environmental Ecology, Biodiversity, Climate Change)
- f. **Science & Technology**
- g. **Current Affairs** (2 years coverage)

3. 48 General Studies Tests

The program includes **48 GS tests** for comprehensive assessment. These tests are designed to cover the entire GS syllabus and are split between **sectional tests** and **full-length mock tests**. Each test is followed by detailed discussions and feedback.

4. 12 CSAT Tests

The **12 CSAT tests** help aspirants develop the reasoning, comprehension, and quantitative skills required to clear **GS Paper 2 (CSAT)**. The tests are accompanied by detailed solutions and feedback, ensuring that candidates are confident in their CSAT preparation.

5. Daily Tests & Discussions

- a. **Daily Tests:** Small, targeted tests every day to reinforce what is covered in the day's classes. This helps ensure consistent progress and retention of concepts.
- b. **Daily Discussions:** Post-test discussions led by mentors or faculty to clarify doubts, analyze mistakes, and offer valuable tips on answer writing and elimination techniques.

6. Current Affairs (2 Years Coverage)

The program provides **2 years of current affairs coverage**, focusing on major national and international events relevant to the UPSC syllabus. This includes:

- a. **Daily updates** on current events, handouts, and analysis.
- b. **Weekly discussions** to contextualize current affairs with respect to the UPSC Prelims.

7. Mentorship & Guidance

- a. **One-on-one mentorship:** Personalized guidance and feedback are provided throughout the program to track progress and offer individualized study plans.
- b. **Regular feedback** on performance in tests, answer writing, and time management strategies.

8. Full-Length Prelims Mock Tests

- a. The **last 10 days** of the program are reserved for **full-length Prelims mock tests**, simulating the real exam environment. This phase emphasizes **revision, test strategy, and time management**.

Program Breakdown:

1. Daily Classes (4 Hours per Day)

Each day, there will be **4 hours of live interactive classes**, covering both static syllabus topics and current affairs. The program follows a structured schedule to ensure that all topics are covered in time, leaving ample space for revision and practice.

- a. **Time Split:** 3 hours for General Studies topics, 1 hour for Current Affairs and CSAT concepts.

2. Test and Evaluation

- a. **48 General Studies Tests:** These tests are spread out over the program, with **sectional tests** on specific topics and **full-length mock tests** closer to the exam.
- b. **12 CSAT Tests:** Full-length CSAT tests ensure aspirants are confident in their reasoning, comprehension, and quantitative skills.
- c. **Daily Tests:** Small, focused tests on specific topics covered in the day's class, followed by a detailed discussion.

3. Weekly Current Affairs

Every week, there is a dedicated **Current Affairs discussion** that consolidates daily updates into a cohesive narrative, helping aspirants understand the relevance of current events in relation to the Prelims syllabus.

4. Mentorship & Feedback

- a. **Personalized mentorship sessions** are conducted on a regular basis to offer tailored guidance, study plans, and test analysis.
- b. **Weekly progress tracking** ensures that aspirants remain on schedule and are consistently improving.

Program Benefits:

1. Daily 4-Hour Classes for Intensive Learning

The Aspire program offers **live interactive classes** every day for 4 hours, making it easier for aspirants to complete the syllabus while maintaining focus. The structured classes provide clarity on core concepts, with special emphasis on current affairs and test-taking strategies.
