Samadhi UPSC Foundation Program

Course Overview:

The **Samadhi UPSC Foundation Program** is a comprehensive 18-month course designed to prepare students for the UPSC Civil Services Examination (CSE). This program includes **G00 hours of interactive classes**, access to both **Mains** and **Prelims test series**, and extends mentorship and guidance throughout the course duration. With a strong emphasis on conceptual clarity, answer writing skills, and exam strategies, the program is structured to ensure success in all stages of the UPSC examination.

Key Features:

1. **Comprehensive G00-Hour Course Structure**

2. The course is designed with **G00 hours** of teaching, covering all aspects of the UPSC syllabus, including **General Studies**, **CSAT**, and **Optional Subjects**. Each session is interactive, with a focus on building both foundational knowledge and advanced concepts.

3. **18-Month Validity**

The course is valid for 18 months, providing students with ample time to engage with the content, attend live sessions, access recorded lectures, and practice through the test series.

4. **Personalized Mentorship**

Every student is assigned a **dedicated mentor** who tracks progress, provides feedback, and offers personalized guidance throughout the preparation journey. This ensures students remain motivated and focused on their goals.

5. **Mains Test Series**

The program includes a **Mains Test Series** with full-length practice papers covering **GS I-IV**, **Essay**, and optional subjects. Regular evaluation and feedback help students improve their writing skills and presentation.

6. **Prelims Test Series**

Students get access to an exclusive **Prelims Test Series**, with both **General Studies** and **CSAT** mock exams. These tests simulate actual exam conditions and provide students with performance analytics and insights.

7. **Access to Other Programs**

As part of the Samadhi UPSC Foundation, students will have **access to other related programs**, including special courses on **current affairs**, **interview guidance**, and **revision boot camps**.

8. **Answer Writing Focus**

The program lays heavy emphasis on improving answer writing techniques, as this is crucial for the mains examination. Students participate in **regular answer writing practice**, with detailed feedback provided on structure, content, and presentation.

G. **Mock Interview Preparation**

As students advance, they are given access to **mock interview sessions** designed to prepare them for the UPSC **Personality Test**. These sessions simulate the real interview environment, with an expert panel providing guidance on communication, personality development, and body language.

Program Breakdown:

1. **Course Duration**
    a. **18 months** of access to all classes and resources
    b. Live classes, along with recorded content for revision and flexibility
2. **Total Teaching Hours**
    a. **G00 hours** of focused classroom learning
    b. Classes designed to cover the **static syllabus** as well as **dynamic current affairs**
3. **Test Series**
    a. **Prelims Test Series:** Focus on **General Studies** and **CSAT**, along with detailed solutions and explanations
    b. Mains Test Series: Covers all **GS papers**, **Optional subjects**, and **Essay writing**
4. **Mentoring s Evaluation**
    a. Regular one-on-one sessions with mentors for **personalized study plans**
    b. **Evaluation of test series** papers, with detailed feedback on strengths and areas of improvement

Enrollment and Resources:

Course Material:

Comprehensive study material, including **class notes**, **reference books**, and access to an **online library**. The materials are regularly updated to reflect the latest UPSC trends and syllabus changes.

Current Affairs Updates:

Regular classes and handouts on **current affairs**, with a special focus on topics of national and international importance.

Online Support:

24/7 access to the **online platform**, where students can revisit recorded lectures, ask questions in live doubt-solving sessions, and participate in discussion forums.

Who Should Join:

Aspirants looking for a structured and guided approach to UPSC preparation
Students seeking long-term mentorship, consistent feedback, and evaluation
Those aiming to strengthen both **Prelims** and **Mains** preparation with test series and mock interview practice
Candidates who want flexibility through live and recorded sessions

Conclusion:

The **Samadhi UPSC Foundation Program** is a one-stop solution for aspirants looking to crack the UPSC exam. With its comprehensive approach, personalized mentoring, and exhaustive test series, the course ensures that students are fully prepared for every stage of the exam. The program aims not just for exam success, but also to develop well-rounded future civil servants.
